Buster User Manual & Tips

Embrace the journey.

At Loren, we believe in the power of exploration- of your desires, your boundaries, and everything in between.
This user manual is here to help you get the most out of your Loren product.

Your pleasure is your journey. Take it at your own pace, follow your curiosity, and remember: there's no right or wrong way to enjoy. Just what feels good for you.

First thing first:

🔒 **Safety lock feature**

To unlock it's magic, simply press and hold the power button for 3 seconds.

🔒 **Power Button**
Press to cycle the 9 different patterns.

Rounded pleasure head

Clitoral stimulation

Flexible neck

Charging port

Get it in place

Apply water-based lubricant, then gently insert Buster to let the shaft find your G-spot while the rabbit ears settle on your clitoris.

Find your vibe

Play around with Buster's 9 vibration modes to uncover the rhythm and intensity that works best for you.
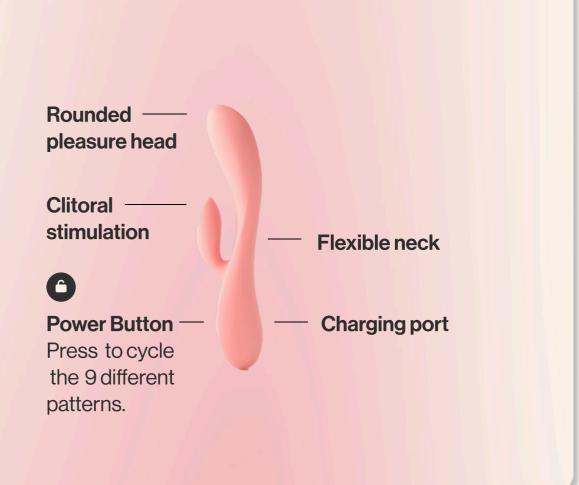

Switch it up

Tilt, angle, or reposition Buster to explore different sensations and unlock new layers of pleasure.

More info:

Vibrator care

Your Buster deserves a little TLC! Rinse it with water and mild soap, then pat it dry. Quick, easy, and ready for your next adventure—clean it before and after every use.

Special instructions

Do not turn on while charging and/or cleaning. (while charging the light will flash; the light will turn solid when fully charged) Low battery alert: Light will flash rapidly when battery is running low. Use only 5-volt USB wall adapter (stabdard mobile phone charger). Allow 60 minutes for full charge. Use water based lubricant only.

Warnings

Discontinue use if there is any discomfort for you or for your partner.

FAQ's

What makes Buster different from other rabbit vibrators?

Buster features a perfectly curved shaft for precise G-spot stimulation and flexible rabbit ears that provide targeted clitoral pleasure. With 9 distinct vibration modes, it offers a customizable experience to suit your unique preferences.

Can I use Buster in the shower or bath?

Yes, Buster is fully waterproof, making it safe for use in the shower or bath. This feature also simplifies cleaning, as the device can be rinsed without concern
