

# Jester User Manual & Tips

**Embrace the journey.**

At Loren, we believe in the power of exploration- of your desires, your boundaries, and everything in between. This user manual is here to help you get the most out of your Loren product.

**Your pleasure is your journey. Take it at your own pace, follow your curiosity, and remember: there's no right or wrong way to enjoy. Just what feels good for you.**

## *First thing first:*

**Tapered tip** —

— **Base Anchor**

## *Start with comfort*

Apply a generous amount of water-based lubricant to Jester for smooth and comfortable use.

## *Find your perfect fit*

Gently insert Jester, allowing its tapered shape to glide in easily. Take your time and adjust to what feels best for your body.

## *Embrace the Sensation*

Once inserted, enjoy the feeling of fullness and stimulation. Move gently or keep it in place, it's all about what feels good to you.

## *More info:*

### **Vibrator care**

Your Jester deserves a little TLC! Rinse it with water and mild soap, then pat it dry. Quick, easy, and ready for your next adventure—clean it before and after every use.

### **Warnings**

Discontinue use if there is any discomfort for you or for your partner.

## *FAQ's*

### **Is Jester suitable for beginners?**

Yes! Jester's smooth, tapered design makes it perfect for beginners exploring anal play. Its comfortable shape ensures easy insertion and a satisfying experience.

### **What lubricant should I use with Jester?**

G spot vibrators are designed to target a specific area on the front wall of the vagina – something that a straight-shaped vibe wouldn't be able to do. Gasp has a rounded head and an angled neck to make finding (and stimulating) your G spot easier than ever.
