

# Swirl User Manual & Tips

Embrace the journey.

At Loren, we believe in the power of exploration- of your desires, your boundaries, and everything in between. This user manual is here to help you get the most out of your Loren product.

**Your pleasure is your journey. Take it at your own pace, follow your curiosity, and remember: there's no right or wrong way to enjoy. Just what feels good for you.**

## Start with soothing sensations

Glide Swirl's smooth, rounded head over your favorite external spots to awaken your senses. The deep, rumbling vibrations are perfect for melting away tension and sparking arousal.

## Find your perfect angle

Use Swirl's flexible head and handle to target those hard-to-reach spots. Whether it's your clitoris, inner thighs, or anywhere that craves attention, adjust the angle and pressure to suit your mood.

## Turn up the intensity

Swirl features 9 powerful vibration modes, ranging from gentle pulses to intense rhythms. Take your time to experiment with each setting and discover the one that brings you the deepest satisfaction.

## First thing first:

### Safety lock feature

To unlock its magic, simply press and hold the power button for 3 seconds.

Flexible pleasure head

Power Button

Press the power button to cycle the 10 different patterns.

Flexible Handle

Charging port

## More info:

### Vibrator care

Your Swirl deserves a little TLC! Rinse it with water and mild soap, then pat it dry. Quick, easy, and ready for your next adventure—clean it before and after every use.

### Special instructions

Do not turn on while charging and/or cleaning. (while charging the light will flash; the light will turn solid when fully charged) Low battery alert: Light will flash rapidly when battery is running low. Use only 5-volt USB wall adapter (standard mobile phone charger). Allow 60 minutes for full charge. Use water based lubricant only.

### Warnings

Discontinue use if there is any discomfort for you or for your partner.

## FAQ's

**What makes Swirl different from other wand massagers?**

Swirl features a powerful motor with 9 vibration modes, a flexible head for precise stimulation, and a smooth handle for easy maneuvering. It's designed to deliver deep, rumbling sensations that melt away tension and elevate pleasure.

**Can I use Swirl in the shower or bath?**

Yes, Swirl is fully waterproof, making it perfect for use in the shower or bath. This also makes cleaning quick and easy.
